

Communicating OR/MS

The scientific writing activity

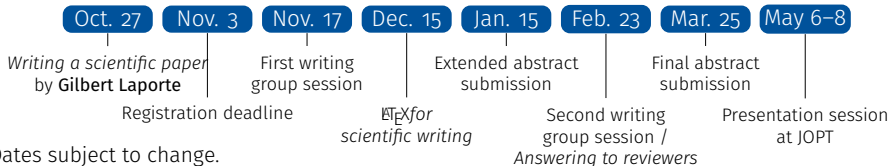

The writing activity is back!

Organized by Marilène Cherkesly, Matthieu Gruson, Frédéric Quesnel

Learn to write an OR/MS scientific paper like a pro. Spanning over several sessions, this activity will teach you writing guidelines and common pitfalls to avoid. Featuring:

- ▶ A presentation by Prof. **Gilbert Laporte** on scientific writing.
- ▶ Two group meetings with peers.
- ▶ Discussions with a faculty member to guide the writing process.
- ▶ And more!

*Dates subject to change.
